The webinars will be held Tuesday, Oct. 28, and Wednesday, Oct. 29. The webinars will be hosted by IDOT engineers and will give residents and businesses in the area a chance to better understand and weigh in on project priorities over the next six years.

The current Multi-Modal Program for FY 2015-2020 totals about \$8.6 billion for road and bridge systems alone, focusing on maintenance and improvement of the roadway system.
