Although designed for the novice rider as part of the Cycle Rider Safety Training Program (CRSTP), experienced riders also can gain from the BRC training. The course will include approximately 20 hours of instruction. Participants will receive a course textbook, seven hours of classroom instruction and 13 hours of “hands-on” cycle instruction. The Basic Riding Course will give participants the physical skills and knowledge needed to ride properly and safely.

Interested riders can call 1-847-925-6803 for more information. Details regarding additional training and program information can be viewed at [www.harpercollege.edu/motorcycle](http://www.harpercollege.edu/motorcycle).
