“LETTING YOU KNOW”

The Illinois Department of Transportation is interested in maintaining close communications with industry. This newsletter highlights subjects which we believe will be of interest to you.

No. 119

May 2010

INSURANCE REQUIREMENTS ON LOCAL ROADS AND STREETS’ PROJECTS

All Local Roads and Streets’ contracts contain a Special Provision (LR-107-4) requiring the contractor to name listed entities as an additional insured under the contractor’s general liability insurance policy in accordance with Article 107.27 of the *Standard Specifications for Road and Bridge Construction*. Contractors with “blanket” certificates of insurance will need to have any necessary endorsements in place and submitted to the Contracts Office before the contract can be executed. Local Roads and Streets’ contracts can be identified by the second digit of the contract being an odd number. Some contractors have not been submitting the required insurance, which causes delays in execution of the contract. Please contact Nancy Knapp or Ryan Sheley at (217) 782-7806 if you have any questions.

SENATE BILL 51

The Illinois Department of Transportation (IDOT) is diligently preparing for the implementation of Senate Bill 51: broad reaching legislation designed to improve the transparency and accountability of the state’s procurement processes. This legislation is introducing fundamental changes to the Illinois Procurement Code. Several teams within IDOT are preparing to implement policy, procedure, process and system changes to support this initiative.

Over the next few days and weeks, you will be receiving communications regarding changes within the department’s operations. Please provide your full cooperation and assistance in support of this effort.

This is a very challenging period with the department undertaking the largest construction program in its history while implementing these procurement improvements.

STAY INFORMED!

Keep in touch with your representative on the IDOT/Industry Policy Committee and IDOT/Industry Joint Co-op Committee.

Contractor Publications

Electronic Subscription Service

To receive construction contractor related publications and reports through the free subscription service, please follow the instructions to subscribe. The information will be automatically emailed to the subscriber on the publish date. The following publications and reports are currently available for subscription:

IDOT Contractor's Packet

Subscription listname: **IDOTContractorsPacket**

The IDOT Contractor's Packet automatically subscribes the requestor to all of the following publications and reports. Those not wishing to receive all of the following lists can subscribe to the desired lists individually.

IDOT Addendum Checklist

The IDOT Addendum Checklist identifies all letting items that have been revised by addendum. The contractors should use this checklist to ensure they have incorporated into their plans and proposals all addenda that have been issued for each particular letting item. The checklist also identifies withdrawn and deleted items. The checklist is published regularly whenever addenda are processed.

IDOT Aeronautics Unit Price Tabulation of Bids

The Aeronautics Unit Price Tabulation of Bids is a listing of all unit price bids on awarded jobs for the letting, sorted by letting item. The listing identifies the actual bidders, the as-read bid amounts, the corrected bid amounts (if applicable) and the low bidders. The listing is not published until jobs are awarded. Typically, Unit Price Tabulation of Bids listings begin to be published four to eight weeks after the letting, excluding the federal discretionary seeking projects placed on the March and August lettings. These may take several months before funds are secured and the projects awarded.

IDOT As Read Tabulation of Bids

The IDOT As Read Tabulation of Bids is a listing of bids as they were read at the bid opening. The bid amounts are not checked at the time this listing is produced. This listing also includes a page which identifies all letting items for which the as read low bid was, prior to a post letting review, within a reasonable approximation of the Engineer's estimate. The listing is usually published by 4:30 p.m. of the day of the letting.

IDOT Price Indices

The [IDOT Price Indices](#) are monthly listings of the average price of Bituminous, Steel and Fuel; used in determining cost adjustments on contracts containing the special provision.

IDOT CBid Files

The CBID files contain the pay items and quantities for a contract, as well as macros to prepare and print a bid. These files are in Microsoft Excel format (xls). CBID files are put on the Website as they become available. **It is your responsibility** to determine which, if any, addenda pertains to any project you may be bidding. **Failure to incorporate all relevant addenda may cause your bid to be declared unacceptable.** Note that the CBID filename is the same as the IDOT Contract Number. Please refer to the Transportation Bulletin – Notice of Letting for the correct contract number.

IDOT Construction Contractor's Transportation Bulletin – Notice of Letting

The IDOT Construction Contractor's Transportation Bulletin – Notice of Letting is the official publication and invitation for construction bids by the Illinois Department of Transportation's Division of Highways, IDOT Division of Aeronautics and the Illinois Department of Natural Resources. The bulletin also contains information pertaining to pre-bid meetings, the DBE program and other current information. The bulletin will be published on the advertised publish date for each regularly scheduled letting. Special lettings will have applicable bulletins published at least 14 days prior to the letting on an as needed basis.

IDOT Corrected Tabulation of Bids

The IDOT Corrected Tabulation of Bids is a listing of all bids for the letting, sorted by letting item. All bids have been recalculated and checked before this listing is produced. The listing identifies the eligible bidders, the actual bidders, the as-read bid amounts, the corrected bid amounts (if applicable) and the low bidders for the letting. The listing is usually published within 14 days after the letting.

IDOT Federal Wage Rates Listing

The IDOT Federal Wage Rates listing identifies the current federal wage rates to be used by contractors for preparing bids whenever the construction activities are federally participating. The federal wage rates will be published 10 days prior to the letting date.

IDOT For Bid List of Bidders

The IDOT For Bid List of Bidders is a compilation of all potential bidders who have been authorized to bid on each letting item for each letting. A separate list is compiled for each letting and the list is sorted by letting item. The list will be published several times with the last time being one day prior to the letting.

IDOT Letting Plans and Proposals

IDOT Letting plans and proposals are available for download on the IDOT Web Site. Go to the [Letting and Bidding Information Page](#) and select the current Letting date. Plans and proposals are posted as they become available.

IDOT Local Roads Contractors Bulletin

The Contractors Bulletin is a weekly publication advertising locally let and "material only, bids" for local agencies, counties, cities/villages, and road districts throughout the state. The bulletin is in three parts: (1) previous advertisements for two weeks, (2) new advertisements with a description of the job, the date and time of letting, description of the material needed for bidding and any other information, and (3) awarded projects identifying the successful bidder and the dollar amount.

IDOT News Flash from BDE

The IDOT News Flash is important information released by the IDOT Bureau of Design and Environment which all contractors should read. This is information that becomes available after publication of the Notice of Letting Bulletin.

IDOT Not For Bid List of Bidders

The IDOT Not For Bid List of Bidders is a compilation of all parties who have requested plans and/or proposals. A separate list is compiled for each letting and the list is sorted by letting item. The list will be published several times.

IDOT Pay Item Report

The Pay Item Report is a listing of all pay items on a letting. For each pay item, the listing identifies the quantity, letting item number, contract number, county, IDOT district office and the unit of measure.

IDOT Pay Item Report with Awarded Prices

The Pay Item Report with Awarded Prices is a listing of all pay items on a letting. For each pay item, the listing identifies the quantity, letting item number, contract number, county, IDOT district office and the unit of measure. This report has an added column which is the awarded unit price of each item. The Pay Item Report with Awarded Prices will be published after the last item on the letting is awarded.

IDOT Unit Price Tabulation of Bids

The IDOT Unit Price Tabulation of Bids is a listing of all unit price bids on awarded jobs for the letting, sorted by letting item. Whereas the As Read Tabulation of Bids and the Corrected Tabulation of Bids provide the sum total amount bid for each letting item, the Unit Price Tabulation of Bids provides the break down of all bids per line item unit price, and it is only provided for awarded jobs. The listing identifies the actual bidders, the as-read bid amounts, the corrected bid amounts (if applicable) and the low bidders. The listing is not published until jobs are awarded. Typically, Unit Price Tabulation of Bids listings begin to be published within three weeks after the letting and may continue for up to 60 days. Jobs through the Division of Aeronautics and the Department of Natural Resources are not included.

IDOT Transportation Procurement Bulletin

The [Transportation Procurement Bulletin Web Page](#) features procurement information for the construction and consulting industry, and the general public. Postings include Invitations to Bid and Request for Proposals from a variety of Bureaus within the Department of Transportation. The site also features important procurement information and links to contract award notices including sole source procurements, emergency purchases, change orders which exceed \$30,000, and renewal notices. Subscribers will receive notification when new procurement opportunities are posted to the Web page.

Bureau of Design and Environment Manual and Procedure Memorandum Updates

To receive updates related to the BDE Manual and BDE Procedure Memorandums through the free subscription service, please follow the instructions for subscribing. The information for both the items will be automatically e-mailed to the subscriber upon release for publication.

Bureau of Design and Environment Manual

The *Bureau of Design and Environment Manual (BDE Manual)* has been prepared to provide uniform policies and procedures for the Department and consultant personnel preparing Phase I studies and reports and contract plans for Department. The *BDE Manual* presents most of the information normally required for location, design and environmental evaluation of highway construction projects on the state highway system. The *BDE Manual* is available on CD-ROM and IDOT's Doing Business/Manuals-Memorandums/Bureau of Design and Environment Manual & Memorandums page at: <http://www.dot.il.gov/desenv/bdemanual.html>

BDE Procedure Memorandums

The *BDE Procedure Memorandums* are used as a means to implement changes in procedures, policies, directives, and/or criteria in the interim between issuance of updates to the *BDE Manual*. The designer should refer to these when using the *BDE Manual* until such time as they are superseded or incorporated into an updated edition of the *BDE Manual*. BDE Procedure Memorandums are available on IDOT's Doing Business/Manuals-Memorandums/Bureau of Design and Environment Manual & Memorandums page at: <http://www.dot.il.gov/desenv/bdemems.html>

Special notice to bidders

Please discontinue faxing your Affidavit of Availability with your Request for Authorization to Bid/or Not For Bid Status request. We are required to use only the Original Affidavit of Availability to determine a contractor's authorization to bid. This document has a notarized signature and we must have the original signature prior to processing your request. The faxed in copies are not being looked at and are just generating excess paper that we have to destroy. Thank you for your cooperation in this matter.

Any questions please contact Ryan Sheley at (217) 782-7806 or ryan.sheley@illinois.gov.

SPECIAL NOTICE

TO ALL CONTRACTORS SUBMITTING BIDS

Please remember to staple your bids together so that it will be less likely that anything will get misplaced or lost.

Please turn in your proposal printed **one sided**. Double sided copies cause a problem with the print shop and processing.

Thank you for your cooperation

If you have any questions about these issues please call Ryan Sheley at (217) 782-7806 or send an e-mail to ryan.sheley@illinois.gov

- SPECIAL NOTICE REGARDING DISADVANTAGED BUSINESS ENTERPRISE PARTICIPATION -

1. Disadvantaged Business Enterprise (DBE) Utilization Plan

For proposals that contain a Special Provision for Disadvantaged Business Enterprise Participation **it is the responsibility of each bidder to submit a DBE Utilization Plan (Plan) (Form SBE 2026 and Form SBE 2025)** as required by the Special Provision. Forms for the submittal of the Plan are available on the IDOT Web Site, in each district's Bureau of Construction office or by calling IDOT's Bureau of Small Business Enterprises at (217) 782-5490.

DBE Plan submittal - As detailed in the Special Provision entitled "DISADVANTAGED BUSINESS ENTERPRISE PARTICIPATION (BDE)"; all bidders must submit [Form SBE 2026](#) and [Form SBE 2025](#) with their bid at the Letting. **Failure to submit both forms with the bid shall cause the bid to be rejected as not responsive.**

SEE THE SPECIAL PROVISIONS WITHIN THE PROPOSALS FOR SPECIFIC DBE GOAL PERCENTAGES

2. Illinois Unified Certification Program DBE Directory

Pursuant to the requirements of the federal regulations, all state transportation agencies that receive federal-aid funds are required to implement a "one-stop" certification process for DBEs. As a result of this requirement, IDOT, together with the City of Chicago, CTA, Metra and Pace, has established the Illinois Unified Certification Program (IL UCP).

The IL UCP maintains a DBE Directory to provide a reference source to assist bidders/proposers in meeting DBE contract goals. The DBE Directory lists the DBE-certified firms in alphabetical order with their address, contact information and specialty of work. It is the responsibility of the prime contractor/consultant to make his/her own determination regarding the capability of a DBE firm. Only those firms certified as of the letting date/bid opening may be utilized in meeting a DBE contract goal.

3. Supportive Services Consultants

The Bureau of Small Business Enterprises administers the federal DBE program and ensures that external Equal Employment Opportunity, On-the-Job Training and Labor contract requirements are met. The goal of IDOT's Supportive Services program is to provide assistance that fosters opportunities for IDOT's DBE firms and minority and female individuals to participate in IDOT's transportation-related contracts.

The following consultants have contracts to provide supportive services assistance. These services are provided at no charge to IDOT's DBE firms, to those firms seeking IDOT DBE program certification, to IL UCP DBE-certified firms who have an IDOT contract(s), and to prime contractors doing business with IDOT.

If you have any questions or concerns regarding the supportive services assistance that IDOT offers, please contact the Bureau of Small Business Enterprises at (217) 785-5947.

Management Assistance - Assistance with cash flow, bonding and financing, payments, obtaining work and equipment / other resources, preparation of business plans, computer technology, certification / prequalification application assistance, assessment of management, accounting and computer systems, assistance with loan package preparation, development of web site / marketing materials / safety plans, and IDOT DBE workshops.

Special Notice Regarding IDOT Proposals, Authorization To Bid, and Requests For Plans & Proposals

ABOUT IDOT PROPOSALS

All Proposals issued by IDOT are potential bidding proposals. Each proposal contains all Certifications and Affidavits, a proposal signature sheet and a Proposal Bid Bond required for Prime Contractors submit a bid after written AUTHORIZATION TO BID has been issued by IDOT. A Proposal Bid Bond and Authorization To Bid are not required on items designated as Small Business Set-Aside.

ABOUT AUTHORIZATION TO BID (Not required for Small Business Set-Asides)

WHO CAN BID? Bids will be accepted from only those companies that **request and receive** written **Authorization to Bid** from IDOT. To request authorization, a potential bidder must complete and submit Part A of the Request for Authorization to Bid/or Not For Bid Status for ([BDE 124INT](#)).

WHAT CONSTITUTES AUTHORIZATION TO BID? When a prospective prime bidder submits a BDE 124INT he/she must indicate at that time which items are being requested for bidding purposes. Only those items requested For Bidding will be analyzed. After the request has been analyzed, the bidder will be issued a **Authorization To Bid or Not For Bid Report** that indicates which items have been approved for Bidding. If **Authorization to Bid** cannot be approved, the **Authorization To Bid or Not For Bid Report** will indicate the reason for denial.

FIRMS UNSURE AS TO AUTHORIZATION STATUS? Firms that have not received an authorization form within a reasonable time of complete and correct original document submittal should contact the department as to status. This is critical in the week before the letting. These documents must be received by three days before the letting date. Firms unsure as to authorization status should call the Prequalification Section of the Bureau of Construction at 217/782-3413.

NOTICE

NO AUTHORIZATION TO BID WILL BE ISSUED UNTIL A **COMPLETED PART A OF FORM BDE 124INT** AND THE **ORIGINAL** AFFIDAVIT OF AVAILABILITY HAS BEEN FILED WITH THE CENTRAL BUREAU OF CONSTRUCTION.

FOR SMALL BUSINESS SET-ASIDES, THE AFFIDAVIT OF AVAILABILITY IS NOT REQUIRED.

SPECIAL NOTICE

ATTENTION IDOT FORM USERS!

On Wednesday April 15, 2009 the Illinois Department of Transportation began posting all business forms developed using Microsoft Word and/or Microsoft Excel in the 2007 format.

To open Microsoft Office Word 2007 .docx or .docm files with Microsoft Office Word 2003, Word 2002, or Word 2000, you need to install the Microsoft Office Compatibility Pack for 2007 Office Word, Excel and PowerPoint File Formats and any necessary Office updates. By using the Compatibility Pack for the 2007 Office system, you can open, edit some items, and save Office Word 2007 documents in previous versions of Word.

If you have questions regarding this conversion, please e-mail

Dorothy.Negangard@illinois.gov

SPECIAL NOTICE:

RULE FOR SUBMITTAL OF DBE UTILIZATION PLANS

All Prime contractors please take note that DBE utilization plans, both forms SBE 2025 and SBE 2026, are now being required to be submitted with the bid on all construction contracts that contain a specified goal in the special provision for Disadvantaged Business Enterprise Participation.

SPECIAL NOTICE

SUBSTANCE ABUSE PREVENTION PROGRAM CERTIFICATION

PA 95-0635 SUBSTANCE ABUSE PREVENTION PROGRAM (SAPP) Effective January 1, 2008

This Public Act requires that all contractors and subcontractors have a SAPP, meeting certain requirements, in place **before** starting work.

The contractor should submit their correctly completed SAPP Certification (Form [BC 261](#)) to the District at the preconstruction conference.

The requirements of this Public Act are a material part of the contract, and the contractor shall require this provision to be included in all approved subcontracts. The contractor shall submit the correctly completed SAPP Certification (Form BC 261) for each subcontractor with the Request for Approval of Subcontractor ([Form BC 260-A](#)).

SPECIAL NOTICE

SMALL BUSINESS SET-ASIDES

Several items on this Letting are designated as small business set-asides. In accordance with Section 45-45 of the Illinois Procurement Code and the rules of the Department, only bids from qualified small businesses will be considered for award. No construction business is a small business if its annual sales and receipts exceed \$10,000,000.

To encourage maximum competition, these small business set-asides are open bidding items. In accordance with the rules of the Department, prequalification is waived for these items. All bidders, including those correctly prequalified by the Department, are required to submit with the bids a Qualification and Equipment Inventory Certification Form. The form is included with the proposal and bidding documents.

Please see the list of items elsewhere in the Bulletin. There will be Small Business Set-asides on future Lettings as well.

Authorization to bid is not required; however, firms wishing to be listed on the For Bid list should so indicate by sending a Request For Authorization To Bid/or Not For Bid Status (form BDE 124INT).

If you have any questions please contact Ryan Sheley at 217-782-7806.

NOTICE OF LETTING – June 11, 2010

1. **LETTING DUE DATE AND TIME FOR SUBMISSION AND OPENING OF BIDS.** The Department of Transportation is requesting offers in the form of sealed bids from responsible contractors to fill the State's needs as described in this invitation. Sealed bids for the contract items described herein will be accepted at the above address of the Chief Contract Official and at the auditorium in the Harry R. Hanley Building by U.S. Mail, delivery service or hand deposit until 10:00 a.m. prevailing local time **June 11, 2010**, at which time the bids will be publicly opened and read. The Department will not open or read bids received after the stated opening date and time.
2. **RULES GOVERNING LETTING.** This letting is subject to and governed by the rules of the Department adopted at [44 Illinois Administrative Code 650](#) and [44 Illinois Administrative Code 660](#), and by the provisions of this invitation. Copies of the rules are available by contacting the above address of the Chief Contract Official.
3. **INSTRUCTIONS TO BIDDERS.** Read the following instructions carefully before submitting any bid. Failure to follow these instructions and the rules may result in the rejection of your bid. The Department reserves the right to reject any and all bids, to waive minor or immaterial irregularities, informalities or technicalities, to advertise for new bids, or to request confirmation or clarification from any bidder regarding a bid.

- (a) **CONTRACT ITEM DESCRIPTIONS.** A summary description of each contract item advertised in this invitation is given following these instructions by Item numbers. Bids shall be submitted by Item number. A contract number appears after the Item number. The contract number will also be shown on the contract documents for the contract that the Item number represents. The summary description provided for the proposed work, quantities and time for completion for each Item are for information only and are subject to the terms published in the contract documents for bidding.
- (b) **CONTRACT DOCUMENTS FOR BIDDING.** Contract documents for bidding include a Notice to Bidders, Specifications, Proposal, Contract and Contract Bond document and a set of Plan documents. These documents may be separate or combined into one document. Contract documents for bidding applicable to each Item number advertised in this invitation may be examined at the above address of the Chief Contract Official. In addition, contract documents for bidding highway work may be examined at the respective District Offices in which the prospective work is located. The names and addresses of the District Engineers are as follows:

| 5 | 9 | M. C. Lamie | State Transportation Bldg., PO Box 100, Carbondale, IL 62901-0100 | (618) 549-2171 |

Contract documents for bidding will not be loaned to prospective bidders. Electronic plans and proposals may be downloaded from the Department's web site <http://www.dot.il.gov/desenv/delett.html>.

- (c) **PREQUALIFICATION.** Any contractor desiring to bid shall be prequalified in accordance with the rules of the Department, adopted at 44 Illinois Administrative Code 650, prior to being granted Authorization to Bid. Prequalification may be waived for particular contract items. In such cases, the manner of determining bidder responsibility will be stated in the contract documents for bidding. Contractors who desire to become prequalified or to renew their prequalification for this letting must file with the Department of Transportation, Bureau of Construction, Room 322, 2300 South Dirksen Parkway, Springfield, Illinois 62764, a Contractor's Statement of Experience and Financial Condition no later than 4:30 p.m. prevailing local time, **May 21, 2010**. A Contractor will not be prequalified for this letting unless the statement is received before the time and day established.

- (d) AUTHORIZATION TO BID. Contractors planning to bid MUST request Authorization to Bid prior to 4:30 p.m. prevailing time [June 8, 2010](#). No Authorization to Bid will be issued after that time. Requests for Authorization to Bid submitted by U.S. Mail or courier delivery will not be honored unless received prior to 4:30 p.m. prevailing local time [June 8, 2010](#), at the Department of Transportation, Bureau of Construction, Room 322, 2300 South Dirksen Parkway, Springfield, Illinois 62764. A form to request authorization to bid is included in the Transportation Bulletin, and is entitled "Request for Authorization to Bid/or Not For Bid Status" ([BDE 124 INT](#)).
- (e) AFFIDAVIT OF AVAILABILITY. In addition to the Authorization to Bid, prospective bidders shall submit an Affidavit of Availability prior to 4:30 p.m. prevailing time [June 8, 2010](#). The Affidavit must include all uncompleted contracts awarded to them and all low bids pending award for all public and private work using the prescribed format. The sworn statement relative to contracts and pending awards must be in complete detail, be properly signed and notarized. Facsimiles of the sworn statement will be accepted for analysis, but Authorization to Bid will be issued only upon receipt of a signed and properly completed original Affidavit of Availability. Any omission or misstatement of fact in the sworn statement will be considered as sufficient grounds for the disqualification of the bidder and the rejection of bids. Prospective bidders shall notify the Department within two working days of any low bids pending award or contracts awarded which might occur between the date of submission of the sworn statement and the date of letting. For your convenience, a form to report this information is included in the Transportation Bulletin, and is entitled "Affidavit of Availability" ([BC 57](#)). The form can also be downloaded from the department's Web Site at www.dot.il.gov/const/conforms.html.
- (f) JOINT VENTURES. Prequalified contractors desiring to bid as a joint venture must submit the properly completed documentation no later than 4:30 p.m. prevailing local time [June 4, 2010](#). The required forms for the joint venture are:
- "Affidavit of Availability" ([BC 57](#)) from each of the joint venture entities,
 - "Certificate of Joint Venture" ([BC 2267](#)),
 - "Request for Authorization to Bid/or Not for Bid Status" ([BDE 124INT](#)).
- The Certificate of Joint Venture and the Request for Authorization to Bid/or Not for Bid Status forms **must** be in the name of the Joint Venture. The original, signed and notarized Certificate of Joint Venture and Affidavits of Availability must be received before consideration will be given for the Joint Venture request.
- (g) EXAMINATION OF CONTRACT DOCUMENTS AND SITE OF THE WORK. The bidder shall, before submitting a bid on any contract item, carefully examine the provisions of the contract documents for bidding and all contract documents referenced therein that comprise the contract as defined in Article 101.09 of the Standard Specifications for Road and Bridge Construction. The bidder shall inspect in detail the site of the proposed work, investigate and become familiar with all the local conditions affecting the contract and the detailed requirements of construction.

If the Department has made a sub-surface examination of the site of the work, the borings, test pits, or other information pertaining thereto are available for examination by all bidders by written request to the office of the District Engineer of the district in which the work is to be performed. The availability of subsurface information from the Department is solely for the convenience and information of the bidder and shall not relieve the bidder of the duty to make, and the risk of making, examinations and investigations as required to assess conditions affecting the work. Any data furnished in the contract plans is for information only and does not constitute a part of the contract. The Department makes no representation or warranty, express or implied, as to the information conveyed or as to any interpretations made from the data.

Submission of a bid shall be a conclusive assurance and warranty the bidder has made these examinations and the bidder understands all requirements for the performance of the work. If the bid is accepted, the bidder will be responsible for all errors in the proposal resulting from a failure or neglect to comply with these instructions. The Department will not be responsible for any costs, expenses, losses, or change in anticipated profits resulting from such failure or neglect of the bidder to make these examinations.

The bidder shall take no advantage of any error or omission in the proposal and advertised contract. Any prospective bidder who desires an explanation or interpretation of the plans, specifications, or any of the contract documents, shall request such in writing from the Central Bureau of Design and Environment at the above address of the Chief Contract Official. The request should be made in sufficient time to allow a written reply by the Department that can reach all prospective bidders before submission of their bids. Any reply given a prospective bidder concerning any of the contract documents, plans, and specifications will be furnished to all prospective bidders in the form determined by the Department including, but not limited to, an addendum, if the information is deemed by the Department to be necessary in submitting bids or if the Department concludes the information would aid competition. Oral explanations, interpretations, or instructions given before the submission of bids unless at a prebid conference will not be binding on the Department.

- (h) ADDITIONAL INSTRUCTIONS. The Notice to Bidders, Specifications, Proposal, Contract and Contract Bond document for each contract item includes specific and additional information and instructions pertaining to submission of bids. That information should be carefully read and the instructions followed by the bidder.
- 4. IMPORTANT DATES FOR BIDDERS. All due dates published in this invitation are summarized for convenient reference by potential bidders on the page entitled "Important Dates for Bidders". Bidders are cautioned that all due dates are strictly enforced.
- 5. PART OF THE CONTRACT. This invitation is made part of the contract by operation of Article 101.09 of the Standard Specifications for Road and Bridge Construction.

This invitation issued under the authority of the Department of Transportation, State of Illinois.

Gary Hannig,
Secretary of Transportation

IMPORTANT DATES FOR BIDDERS

June 11, 2010 Bid Opening

PREQUALIFICATION

Any contractor who desires to become prequalified to bid on work advertised by IDOT must submit the properly completed prequalification forms to the Bureau of Construction no later than 4:30 p.m. prevailing time twenty-one days prior to the letting of interest. This prequalification requirement applies to first time contractors, contractors renewing expired ratings, contractors maintaining continuous prequalification or contractors requesting revised ratings

The prequalification cut-off date is 4:30 p.m. prevailing time **May 21, 2010** .
Also, to be eligible to bid, existing prequalification ratings must be effective through the date of letting.

JOINT VENTURES

Prequalified contractors wishing to combine bidding capacity and bid items as joint ventures must submit the appropriate properly completed forms no later than 4:30 p.m. prevailing time, seven (7) days prior to the letting date. The required joint venture forms are the "Request for Authorization to Bid/or Not for Bid Status" (BDE 124INT), the ORIGINAL "Affidavit of Availability" (BC 57) and the ORIGINAL "Certificate of Joint Venture" (BC 2267).

The Joint venture cut-off date is 4:30 p.m. prevailing time **June 4, 2010** .

REQUESTS FOR AUTHORIZATION TO BID

Contractors wanting to bid on items included in a particular letting must submit the properly completed "Request for Authorization to Bid/or Not for Bid Status" (BDE 124INT) and the properly completed ORIGINAL "Affidavit of Availability" (BC 57) to the proper office no later than 4:30 p.m. prevailing time, three (3) days prior to the letting date.

The Authorization to Bid request cut-off date is 4:30 p.m. prevailing time **June 8, 2010** .

SUBMITTAL OF BIDS

The time and place of letting is always listed in the Transportation Bulletin. Most lettings are held at 10:00 a.m. prevailing time in the Auditorium of the IDOT Harry R. Hanley Building located at 2300 South Dirksen Parkway, Springfield, Illinois.

No bid will be accepted unless delivered prior to the time specified in the Transportation Bulletin. Bidders submitting bids by U.S. Mail or courier are cautioned to allow sufficient time for delivery.

DBE UTILIZATION PLANS

Projects with DBE participation require all bidders to submit a DBE Utilization Plan with their bid.

ADDITIONAL AWARD CRITERIA

Projects requiring Additional Award Criteria require the AS-READ-LOW-BIDDER to submit the required criteria to the Contracts Office within seven (7) working days after the letting.

The cut-off date for the submittal of the required criteria is **June 22, 2010** .

The Authorization to Bid request cut-off date is 4:30 p.m. prevailing time, June 8, 2010.

- c. Each bid shall be accompanied by one (1) copy of a Bid Bond on Form [BDE 356B](#) in the amount, which is not less than five (5) percent of the aggregate amount of the bid.
- d. Pre-Qualification Rating. The Illinois Department of Transportation pre-qualification ratings and other applicable evidence of competency of bidders to perform the work contemplated will be utilized for all Service Bulletin items. This pre-qualification rating will be established on the basis of a Financial Statement and Experience Questionnaire.

- e. Requirements for Corporations outside the State of Illinois. Before any Contract is executed, a Corporation from another State must conform to the Statutes of the State of Illinois, and may be asked to furnish a copy of the certificate from the Secretary of State, State of Illinois, showing that such foreign corporation is authorized to do business in the State of Illinois.
- f. Civil Rights Act of 1964. The Illinois Department of Transportation, Division of Aeronautics, in accordance with Title VI of the Civil Rights Act of 1964, 78 Stat. 252, 42 U.S.C. 2000d-4 and Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-assisted programs of the Department of Transportation issued pursuant to such Act, hereby notifies all bidders that it will affirmatively insure that in any contract entered into pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds or race, color, or national origin in consideration for an award.

In a case in which a bidder or prospective contractor or proposed subcontractor who has participated in a previous contract or subcontract subject to the equal opportunity clause has not filed a compliance report due under applicable instructions, such bidder, prospective contractor, or proposed subcontractor shall submit a compliance report prior to the award of the proposed contract or subcontract. When a determination has been made to award a contract to a specific contractor, such contractor shall prior to award, furnish such other pertinent information regarding his own employment policies and practices as well as those of his proposed subcontractors as the Sponsor, or the Executive Vice Chairman of the President's Committee may require.

For any contract or subcontract for \$50,000.00 or more, and having 50 or more employees, the contractor or subcontractor will be required to maintain a written Affirmative Action Plan.

g. Special Requirements.

- (1) Payment to Labor. The successful bidder will be required to pay to the laborers, workmen, mechanics, and other employees for the work under the contracts, not less than the general prevailing wage for each craft, trade or occupation, and not less than the minimum wage rates as shall be established by the U. S. Secretary of Labor for federally assisted projects and by the Illinois Department of Labor for state/local projects.
- (2) Affirmative Action Requirements - Equal Employment Opportunity. Various contractor, union and minority organizations have prepared specific plans for Equal Employment Opportunity. Should such a plan or plans apply to the proposed project(s) listed below, the Bid Conditions will be included in the Contract Document for that project, and all bidder's, prospective contractors and/or subcontractors shall be required to comply with any and all provisions set forth therein.

- h. Specifications. The proposed work is to be constructed in accordance with the requirements of the Illinois Standard Specifications for Construction of Airports, dated January, 1985, the Supplemental Specifications and Recurring Special Provisions, adopted July 1, 2004 and the Special Provisions specified in the proposal. The Illinois Standard Specifications for Construction of Airports and the Supplemental Specifications and Recurring Special Provisions are available at www.dot.il.gov/aero/airspecs.html. Printed copies of the Illinois Standard Specifications for Construction of Airports may be obtained by applying to the Department of Transportation, Division of Aeronautics, Bureau of Engineering, Design Section, at Capital Airport/One Langhorne Bond Drive, Springfield, Illinois 62707-8415. The order should be accompanied by a check made payable to the Division of Aeronautics in the amount of \$10.00 for each copy ordered.

It is located in the Villages of Hoffman Estates & South Barrington in Cook County. Net Length is 17,279 feet (3.27 miles).

The general contractor must sign-in at the Pre-Bid meeting in order to be authorized to bid on the project.

PRE-BID CONFERENCE

DISTRICT 4 –PRE- BID CONFERENCE

Plans and Special Provisions for all District 4 contracts for the Letting of June 11, 2010 will be available for your review at the District 4 office, 6th floor Training Room from 5:30 P.M to 7:00 PM on Tuesday, June 1, 2010. The District 4 Office is located at 401 Main Street, Peoria, Illinois. All prime contractors and DBE firms are encouraged to attend. There will be members from IDOT's Supportive Services and District 4 to answer any questions that you may have. This will be an opportunity for prime contractors to indicate projects on which they are interested in receiving quotations from DBE firms. Both prime contractors and DBE firms are encouraged to review the project goals prior to this pre-bid conference. This will be an open house type format and no formal presentation will be given.

(Mandatory Pre-bid)

PRE-BID CONFERENCE DISTRICT 7 – PRE- BID CONFERENCE

A mandatory pre-bid meeting is scheduled for the Hot-Mix Asphalt Resurfacing Project on US Route 51 in Macon County. Contract number 74150 starts approximately 1 mile south of US 36 and extends in a southeasterly direction to US (Business) 51. The meeting will be held at 10:00 a.m. on Tuesday, June 1, 2010 in Room 113 at the District 7 Office located at 400 West Wabash Ave, Effingham, Illinois.

The purpose of the meeting is to discuss and answer questions related to the new HOT MIX ASPHALT PAY FOR PERFORMANCE USING PERCENT WITHIN LIMITS (BMPR) Special Provision included in the contract documents. All Prime Contractors, bidding on the project, as well as their QC Manager, and Contractor Paving Superintendents are required to attend. There will be members from District 7 to answer any questions that you may have concerning the new HOT MIX ASPHALT PAY FOR PERFORMANCE USING PERCENT WITHIN LIMITS (BMPR) Special Provision.

REVISIONS TO THE ILLINOIS PREVAILING WAGE RATES

The Prevailing rates of wages are included in the Contract proposals which are subject to Check Sheet #5 of the Supplemental Specifications and Recurring Special Provisions. The rates have been ascertained and certified by the Illinois Department of Labor for the locality in which the work is to be performed and for each craft or type of work or mechanic needed to execute the work of the Contract. As required by Prevailing Wage Act ([820 ILCS](#) 130/0.01, et seq.) and Check Sheet #5 of the Contract, not less than the rates of wages ascertained by the Illinois Department of Labor and as revised during the performance of a Contract shall be paid to all laborers, workers and mechanics performing work under the Contract. Post the scale of wages in a prominent and easily accessible place at the site of work.

If the Illinois Department of Labor revises the prevailing rates of wages to be paid as listed in the specification of rates, the contractor shall post the revised rates of wages and shall pay not less than the revised rates of wages. Current wage rate information shall be obtained by visiting the Illinois Department of Labor web site at <http://www.state.il.us/agency/idol/> or by calling 312-793-2814. It is the responsibility of the contractor to review the rates applicable to the work of the contract at regular intervals in order to insure the timely payment of current rates. Provision of this information to the contractor by means of the Illinois Department of Labor web site satisfies the notification of revisions by the Department to the contractor pursuant to the Act, and the contractor agrees that no additional notice is required. The contractor shall notify each of its subcontractors of the revised rates of wages.

Affidavit of Availability For the Letting of _____

Instructions: Complete this form by either typing or using black ink. "Authorization to Bid" will not be issued unless both sides of this form are completed in detail. Use additional forms as needed to list all work.

Part I. Work Under Contract

List below all work you have under contract as either a prime contractor or a subcontractor. It is required to include all pending low bids not yet awarded or rejected. In a joint venture, list only that portion of the work which is the responsibility of your company. The uncompleted dollar value is to be based upon the most recent engineer's or owners estimate, and must include work subcontracted to others. If no work is contracted, show **NONE**.

SPECIAL NOTICE ELECTRONIC PLANS AND PROPOSALS

Plans and/or proposals may be downloaded from the Department's Web Site located at <http://www.dot.il.gov> at no cost.

Firms wishing to bid directly to the Department **MUST** request Authorization to Bid. Prospective bidders must also submit an Affidavit of Availability. Does not apply to Small Business Set-Asides.

Firms downloading plans and/or proposals that do not wish to bid directly to the Department will not be placed on the Not For Bid list unless they request to be added to the list. Such requests shall be made by submitting a Request for Authorization to Bid/or Not For Bid Status form (BDE 124INT).

The Department offers plans and proposals in electronic format **ONLY**.

Part A: I plan to bid as a prime contractor and hereby request **Authorization to Bid** the following items:

Upon receipt of the required **original** Affidavit of Availability, IDOT will review the request and issue an "**Authorization to Bid**" only on the items listed in Part A. Firms wishing to be listed on the FOR BID list for Small Business Set-Asides may also complete Part A.

Requestor Remarks:

Part B: Please list our Company on the Not For Bid List for the following items:

Instructions

Requests for Authorization to Bid must be accompanied by an original Form BC-57, Affidavit of Availability. Does not apply for Small Business Set-Asides.

Authorization to Bid will not be issued after the time and date specified in paragraph 1 (a) and 1 (b) of the Transportation Bulletin.

How to Expedite this Request

1. Using **Black Ink** complete the request form listing all item numbers requested in numerical order.
 2. **E-mail** the completed request form (BDE 124INT) to D&Econtracts@dot.il.gov or Fax to 217-785-1141.
 3. **Do Not** make any changes on the request form after it has been faxed. Additional items will require a supplemental request.
 4. Mail hard copy of the request form to IDOT. If requesting **Authorization to Bid**, the requestor **MUST submit the original Affidavit of Availability with an original signature**. The preceding does not apply to Small Business Set-Asides.
-
-

ABOUT IDOT PROPOSALS: All proposals issued by IDOT are potential bidding proposals. Each proposal contains all Certifications and Affidavits, a **Proposal Signature Sheet** and a **Proposal Bid Bond** required for Prime Contractors to submit a bid after written **Authorization to Bid** has been issued by IDOT's Central Bureau of Construction. Small Business Set-Asides do not require **Authorization to Bid** or a **Proposal Bid Bond**.

ADDENDA/REVISIONS: Those contractors downloading proposals from the internet are responsible for checking the Department's web site (<http://www.dot.il.gov>) for any ADDENDA or REVISIONS that may effect the downloaded proposal. An Addenda/Revision tracking sheet is on the Department's web site and notification may be e-mailed, upon subscribing to Departments' subscription service. Once an Addendum or Revision is confirmed, the updated material may be downloaded from the internet. It is the contractor's responsibility to download the updated Proposal to receive the updated information.

HOW TO OBTAIN ELECTRONIC PLANS & PROPOSALS? Download from IDOT's website at <http://www.dot.il.gov>.

WHO CAN BID? Bids will be accepted from only those companies that request and receive written **Authorization to Bid** from IDOT. The preceding does not apply to items designated as Small Business Set-Asides.

WHAT CONSTITUTES WRITTEN AUTHORIZATION TO BID? When a prospective prime bidder submits this form, he/she must indicate at that time which items are being requested For Bidding purposes. Only those items requested For Bidding will be analyzed. After the request has been analyzed, the bidder will be issued an **Authorization to Bid or not for bid report**, approved by the Central Bureau of Construction that indicates which items have been approved For Bidding. If **Authorization to Bid** cannot be approved, the **Authorization to Bid or not for bid report** will indicate the reason for denial. The preceding does not apply to items designated as Small Business Set-Asides.

ABOUT AUTHORIZATION TO BID: Firms that have not received an authorization report within a reasonable time, three to five days after the department receives the complete and correct original Affidavit of Availability, should contact the department concerning the status of their request. This is critical in the week prior to the letting. Firms unsure of their Authorization to Bid status should call the Prequalification Section at the number listed at the end of these instructions. For Small Business Set-aside items, contact the Contracts Office. This does not apply to items designated as Small Business Set-Asides.

WHAT MUST BE INCLUDED WHEN BIDS ARE SUBMITTED? Bidders need not return the entire proposal when bids are submitted. That portion of the proposal that must be returned includes all documents from the Proposal Cover Sheet through the Proposal Bid Bond and other special documentation and/or information that may be required by the contract special provisions. All proposal documents, including Proposal Guaranty Checks or Proposal Bid Bonds, should be stapled together to prevent loss when bids are processed by IDOT personnel.

ABOUT SUBMITTING BIDS: It is recommended that bidders deliver bids in person to insure they arrive at the proper location prior to the time specified for the receipt of bids. Any bid received at the place of letting after the time specified will not be accepted.
