

Illinois Department of Transportation Memorandum

To: ALL BRIDGE DESIGNERS
From: D. Carl Puzey
Subject: AASHTO LRFD Specifications
Date: August 22, 2014

14.X

A handwritten signature in blue ink, appearing to read 'D. Carl Puzey'.

The American Association of State Highway and Transportation Officials (AASHTO) have published the following publication:

AASHTO LRFD Bridge Design Specifications, Customary U.S. Units, 7th Edition

Looseleaf: LRFDUS-7
Print and PDF Download: LRFDUS-7-PUL
Download: LRFDUS-7-UL

You can order this and all AASHTO publications by calling 1-800-231-3475 or by visiting the online bookstore at <https://bookstore.transportation.org>.

This publication shall be applicable to all design plans prepared from TS&L plans approved on or after October 1, 2014.

Certain revisions are under investigation and additional policies may be forthcoming.

Please direct questions regarding interpretation of interims to DOT.BBS.COMSUGGEST@illinois.gov.
