BDE PROCEDURE MEMORANDUM

NUMBER: 11-20

SUBJECT: BDE Manual Revision – Chapter 66

DATE: November 22, 2011

Chapter 66 has been revised to make the chapter consistent with current practices. See Chapter 66 of the BDE Manual on-line to view the revisions.

Background

Section 66-4 “Proposals and Contracts” of the BDE Manual has been updated to reflect current practices by the bureau. Most of the updates are required due to the move to electronic distribution and availability of the Transportation Bulletin and the plans and proposals. None of these changes affect the processes of district personnel.
