### Background

In 2016, a major reorganization of the Department's bureau names and work functions was initiated to better align the agency to its ongoing mission. This necessitated numerous revisions throughout the BDE Manual to match revised bureau names, job titles, and work functions. Chapters 1, 2, 3, 5, 7, 13, 34, 39, 40, 43, 44, 49, 50, 52, 54, 65, 66, and Appendix C of the BDE Manual have been revised accordingly.
