

Emergency Purchase Number: EA16-07

Office/Division: Bureau of Operations - Day Labor

Address: 505 N. MacArthur Blvd
Springfield, IL 62702

Chief Procurement Officer: Bill Grunloh

Vendor: Concrete Specialties

Address: 780 S. Materials Road
Romeoville IL 60446

Estimated Cost: 33,000.00

Final Cost: _____

This expenditure is justified as:

- An emergency involving public health.
- An emergency involving public safety.
- Necessary to protect State property from further loss or damage.
- Necessary to prevent or minimize serious disruption in State services.
- Necessary to insure integrity of State records.
- Quick purchase as provided by Section 20-30 (d) of the Illinois Procurement Code.

The conditions and circumstances requiring this emergency expenditure are:

The Department was notified of a pavement issue on Palmyra Road, 0.1 miles west of Peek Home in Lee County. Upon investigation, found a large hole I void in the pavement caused by the failure of an old stone culvert over a drainage ditch. The District immediately placed a 5' x 8' steel plate over the hole to protect the motoring public. At this time the State is requesting an emergency purchase of the material to replace the culvert for the following reasons: 1) Motoring Publics Safety - large steel plate in middle of roadway may cause motorist to lose control of vehicle during snow, rain, or icing conditions. 2) Damage to State Property - possible damage to State property "snowplow trucks" if they should hit the steel plate during snow removal events.

District 2 Bureau of Operations does not have sufficient forces or equipment to accomplish the work and has refered the work to Day Labor. As such, Day Labor solicited quotations for precast materials based on plans and estimated quantities from producers I suppliers appearing on IDOT's "Approved/Qualified Producer List of Certified Precast Concrete Producers". Of those solicited only one vendor, Concrete Specialties Co. located in Romeoville, IL responded with a quote of \$11,985.00.
