Special Provision for Pavement Marking for Bike Symbol

September 27, 2013

This special provision was developed by the Bureau of Design and Environment to provide size specifications for bike symbol pavement marking.

It should be included in contracts using Highway Design Standard 780001.

The districts should include the BDE Check Sheet marked with the applicable special provisions for the January 17, 2014 and subsequent lettings. The Project Development and Implementation Section will include a copy in the contract.

This special provision will be available on the transfer directory September 27, 2013.
