SECTION A-A

PLAN

DETAIL A

GENERAL NOTES

If field conditions permit, the bottom of the inlet box shall have a 2 (50) slope.

All slope ratios are expressed as units of vertical displacement to units of horizontal displacement (V:H).

All dimensions are in inches (millimeters) unless otherwise shown.

DATE  REVISIONS
1-1-11  Corrected weld symbols
on Sheet 2.
1-1-09  Switched units to
English (metric). Revised
