STAKEHOLDER INVOLVEMENT PLAN (SIP)

The SIP serves as a guide for implementing stakeholder involvement activities during this Study. The objectives of the SIP are to:

- Identify stakeholders.
- Identifies roles & responsibilities of IDOT and the Federal Highway Administration (FHWA).
- Establish the timing & type of outreach activities with all stakeholders.
- Establish stakeholder requirements for providing timely input to the project development process.
- Provide an approach for evaluating the effectiveness of the public-participation and refine, as appropriate, to respond to public needs and concerns.

★ A copy of the SIP is available for you to view. Or if you wish, please go to the project website www.IL83andIL137.org.
