CIRCULAR LETTER 2006-03

HIGHWAY JURISDICTION GUIDELINES
FOR HIGHWAY AND STREET SYSTEMS

COUNTY ENGINEERS/SUPERINTENDENT OF HIGHWAYS
MUNICIPAL ENGINEERS/DIRECTORS OF PUBLIC WORKS/MAYORS
CONSULTING ENGINEERS

The new Highway Jurisdiction Guidelines are now available on IDOT’s Web site (www.dot.il.gov/blr/booklets.html) under “Public Partners.” These guidelines replace the April 1993 Jurisdictional Transfer Guidelines.

The guidelines summarize highway jurisdiction issues and outline the process required for jurisdictional transfers. They also address vacations and additions to the township and road district system. These guidelines take you step by step through the process, describing required actions and alternatives if applicable.

A limited number of hard copies of the Highway Jurisdiction Guidelines are available for local agencies that do not have access to the Internet. To request a hard copy of the guidelines, please complete and return the attached Illinois Technology Transfer Publication Request Form, indicating publication #P034.

If you have any questions, please contact Steve Dwyer, Highway Systems Manager, in the Central Bureau of Local Roads and Streets at (217) 782-3401.

Sincerely,

Charles J. Ingersoll, P. E.
Engineer of Local Roads and Streets
