2006 ROAD, BRIDGE, AND OTHER RELATED LAWS OF ILLINOIS

The Bureau of Local Roads and Streets (BLRS) published the 2006 edition of the "Road, Bridge, and Other Related Laws of Illinois." The book provides a reference to laws relating to highway and bridge construction. All statutes contained in the book are current as of August 1, 2006 and include the enactments of the 94th General Assembly through Public Act 94-1068. The book is meant as a reference and users should always verify that a statute has not been amended by the Illinois legislature. The Illinois legislature's website address is www.ilga.gov.

Each book contains a CD-ROM containing an Adobe Portable Document File (PDF) of the entire book. Adobe Reader 4.0 or greater is required to access this document. The electronic copy is searchable and pages may be printed directly to an attached printer.

The department's Manual Sales Office will be distributing this book free of charge to local agencies.
