CIRCULAR LETTER 2019-01

FISCAL YEAR 2020 FEDERAL FUNDING ALLOTMENTS:

- Surface Transportation Program – Rural (STR)**
- Surface Transportation Program – Urban (STU)**
- Surface Transportation Program – Bridges (STP-Br), and**

COUNTY ENGINEERS / SUPERINTENDENTS OF HIGHWAYS
MUNICIPAL ENGINEERS / DIRECTORS OF PUBLIC WORKS / MAYORS
METROPOLITAN PLANNING ORGANIZATIONS – DIRECTORS

Attached to this circular letter is a listing of the state fiscal year (FY) 2020 federal Surface Transportation Program (STP) allotments. The federal STP allotments have been divided into STP-Rural (STR), STP-Urban (STU), and STP-Bridge (STP-Br) categories.

The total amount of FY 2020 STR funds allotted to the counties is \$50,885,458 with \$45,385,091 to be distributed among the downstate counties in Districts 2 through 9. The remaining \$5,500,637 is for use by the eligible counties in District 1.

The formula for distribution of the STR funds to the downstate counties is as follows:

1. Ten percent divided equally among the downstate counties.
2. Balance allocated to the downstate counties on the basis of the following three factors with equal weight being given to each factor:
 - a. non-urban area
 - b. non-urban population
 - c. non-urban mileage (total all systems)

The total amount of FY 2020 STU funds allotted to the urbanized areas is \$175,679,044 with \$144,709,745 to be utilized in District 1 for Northeastern Illinois. The remaining \$30,969,299 is for utilization by the downstate urbanized areas with a population greater than 5,000. The STU funds are sub-allocated to the urbanized areas based on percentage of population of the individual urbanized area to the total urbanized area population for the entire state. Additionally, per Memorandum of Understanding between CMAP and IDOT signed on 12/19/2018, Northeastern Illinois will receive an allotment of \$30,000,000 in STU. This funding is allotted on top of the local STP figure and does not impact the local STP distribution formula.

February 27, 2019

The total amount of FY 2020 STP-Bridge funds allotted to all counties is \$39,981,971. The STP-Bridge funding is distributed based on the combined deficient square footage of eligible county, township, and municipal structures within a county. Requests for local agencies to use STP-Bridge funds will be made through the County Engineer with the approval of the IDOT District. Municipalities with a population of 15,000 or greater may program STP-Bridge funds directly through the IDOT District, with the amount coming from the county allotment.

This year's distribution reflects the 2010 census, including any population updates received from the Secretary of State's office, and the 2017 Illinois Highway and Street Mileage Statistics non-urban mileage and non-urban area totals.

The allocation for the State Match Assistance Program is not available at this time and additional information will be forthcoming.

If you have any questions regarding the federal funding allotments, please contact your IDOT District Bureau of Local Roads and Streets office.

Sincerely,

A handwritten signature in blue ink, appearing to read 'S. Seck-Birhame', with a long horizontal line extending to the left.

Stephane B. Seck-Birhame, P.E., PTOE
Local Program Development Engineer
