

GUIDE TO HIGHWAY PROJECT LISTINGS

Projects on the state highway system identified for the FY 2020-2025 Proposed Highway Improvement Program are listed on the following pages. The lists are identified within IDOT's nine geographic highway districts. The map on the previous page shows individual highway district boundaries.

The following sequence is used within the district project listing:

- Interstate-marked routes in ascending numerical order
- U.S.-marked routes in ascending numerical order
- Illinois-marked routes in ascending numerical order
- Unmarked routes in alphabetical order by street name starting with numbered streets

The estimated cost of each project is shown. The actual cost of a project listed for FY 2020-2025 can vary depending on when it is implemented in the multi-year period.

The listing of projects is arranged in seven columns:
