

GO ORANGE

WEDNESDAY, APRIL 10

2019 GO ORANGE DAY

National Work Zone Safety Awareness Week (**April 8-12**) is recognized at the start of each construction season to encourage safe driving through highway work zones.

IDOT encourages all staff and our industry partners to show their support by wearing orange on **Wednesday, April 10**, and sharing a photo on social media with these hashtags: **#OrangeforSafety #NWZAW**
