## **INSURANCE REQUIREMENTS ON LOCAL ROADS AND STREETS' PROJECTS**

All Local Roads and Streets' contracts contain a Special Provision (LR-107-4) requiring the contractor to name listed entities as an additional insured under the contractor's general liability insurance policy in accordance with Article 107.27 of the *Standard Specifications for Road and Bridge Construction*. Contractors with "blanket" certificates of insurance will need to have any necessary endorsements in place and submitted to the Contracts Office before the contract can be executed. Local Roads and Streets' contracts can be identified by the second digit of the contract being an odd number. Some contractors have not been submitting the required insurance, which causes delays in execution of the contract.

Please contact Nancy Knapp or Ryan Sheley at (217) 782-7806 if you have any questions.

## **FINANCIAL INFORMATION AND POTENTIAL CONFLICTS OF INTEREST DISCLOSURES (FORM A)**

**All bidders please take note** that a completed Form A is required to be submitted with each bid that is received. Please use Form A that is included in the proposals for the September 17, 2010 letting, due to some minor changes that were made after the July 30, 2010 letting.

Any questions about this requirement should be directed to Ryan Sheley at (217) 782-7806.

## **NO RETAINAGE**

## **REMINDER      REMINDER      REMINDER      REMINDER**

This is a reminder to prime contractors that according to the Special Provision for Payment to Subcontractors that prime contractors shall not hold retainage from the subcontractors. In addition, the special provision requires that when a contractor receives any payment from the department, the contractor shall make corresponding, proportional payments to each subcontractor and material supplier performing work or supplying material within 15 calendar days after receipt of the department payment.

## Special Notice to Contractors

**All** bids **must** contain a current form A, Financial Information & Potential Conflicts of Interests Disclosure.

Please contact Ryan Sheley at (217) 782-7806 or [ryan.sheley@illinois.gov](mailto:ryan.sheley@illinois.gov) if you have any questions.

# Special notice to bidders

**Please discontinue faxing your Affidavit of Availability with your Request for Authorization to Bid/or Not For Bid Status request. We are required to use only the Original Affidavit of Availability to determine a contractor's authorization to bid. This document has a notarized signature and we must have the original signature prior to processing your request. The faxed in copies are not being looked at and are just generating excess paper that we have to destroy. Thank you for your cooperation in this matter.**

**Any questions please contact Ryan Sheley at (217) 782-7806 or [ryan.sheley@illinois.gov](mailto:ryan.sheley@illinois.gov).**

# SPECIAL NOTICE

## TO ALL CONTRACTORS SUBMITTING BIDS

Please remember to staple your bids together so that it will be less likely that anything will get misplaced or lost.

Please turn in your proposal printed **one sided**. Double sided copies cause a problem with the print shop and processing.

Thank you for your cooperation

If you have any questions about these issues please call Ryan Sheley at (217) 782-7806 or send an e-mail to [ryan.sheley@illinois.gov](mailto:ryan.sheley@illinois.gov)

## - SPECIAL NOTICE REGARDING DISADVANTAGED BUSINESS ENTERPRISE PARTICIPATION -

### 1. Disadvantaged Business Enterprise (DBE) Utilization Plan

For proposals that contain a Special Provision for Disadvantaged Business Enterprise Participation it is the responsibility of each bidder to submit a DBE Utilization Plan (Plan) ([Form SBE 2026](#) and [Form SBE 2025](#)) as required by the Special Provision. Forms for the submittal of the Plan are available on the IDOT Web Site, in each district's Bureau of Construction office or by calling IDOT's Bureau of Small Business Enterprises at (217) 782-5490.

**DBE Plan submittal** - As detailed in the Special Provision entitled "DISADVANTAGED BUSINESS ENTERPRISE PARTICIPATION (BDE)"; all bidders must submit [Form SBE 2026](#) and [Form SBE 2025](#) with their bid at the Letting. **Failure to submit both forms with the bid shall cause the bid to be rejected as not responsive.**

**SEE THE SPECIAL PROVISIONS WITHIN THE PROPOSALS FOR SPECIFIC DBE GOAL PERCENTAGES**

### 2. Illinois Unified Certification Program DBE Directory

Pursuant to the requirements of the federal regulations, all state transportation agencies that receive federal-aid funds are required to implement a "one-stop" certification process for DBEs. As a result of this requirement, IDOT, together with the City of Chicago, CTA, Metra and Pace, has established the Illinois Unified Certification Program (IL UCP).

The IL UCP maintains a DBE Directory to provide a reference source to assist bidders/proposers in meeting DBE contract goals. The DBE Directory lists the DBE-certified firms in alphabetical order with their address, contact information and specialty of work. It is the responsibility of the prime contractor/consultant to make his/her own determination regarding the capability of a DBE firm. Only those firms certified as of the letting date/bid opening may be utilized in meeting a DBE contract goal.

### 3. Supportive Services Consultants

The Bureau of Small Business Enterprises administers the federal DBE program and ensures that external Equal Employment Opportunity, On-the-Job Training and Labor contract requirements are met. The goal of IDOT's Supportive Services program is to provide assistance that fosters opportunities for IDOT's DBE firms and minority and female individuals to participate in IDOT's transportation-related contracts.

The following consultants have contracts to provide supportive services assistance. These services are provided at no charge to IDOT's DBE firms, to those firms seeking IDOT DBE program certification, to IL UCP DBE-certified firms who have an IDOT contract(s), and to prime contractors doing business with IDOT.

If you have any questions or concerns regarding the supportive services assistance that IDOT offers, please contact the Bureau of Small Business Enterprises at (217) 785-5947.

**Management Assistance** - Assistance with cash flow, bonding and financing, payments, obtaining work and equipment / other resources, preparation of business plans, computer technology, certification / prequalification application assistance, assessment of management, accounting and computer systems, assistance with loan package preparation, development of web site / marketing materials / safety plans, and IDOT DBE workshops.

**4. Minority-Owned Financial Institutions**

It is IDOT’s policy to investigate the full extent of services offered by financial institutions owned and controlled by socially and economically disadvantaged individuals in the community, to make reasonable efforts to use these institutions, and to encourage prime contractors on federally funded contracts to make use of these institutions.

As of October 14, 2009, the list of Minority Depository Institutions in Illinois are as follows:

1. All American Bank-----Des Plaines
2. American Metro Bank -----Chicago

### How to Expedite this Request

1. Using **Black Ink** complete the request form listing all item numbers requested in numerical order.
  2. **E-mail** the completed request form (BDE 124INT) to [D&Econtracts@dot.il.gov](mailto:D&Econtracts@dot.il.gov) or Fax to 217-785-1141.
  3. **Do Not** make any changes on the request form after it has been faxed. Additional items will require a supplemental request.
  4. Mail hard copy of the request form to IDOT. If requesting **Authorization to Bid**, the requestor **MUST submit the original Affidavit of Availability with an original signature**. The preceding does not apply to Small Business Set-Asides.
- 
- 

**ABOUT IDOT PROPOSALS:** All proposals issued by IDOT are potential bidding proposals. Each proposal contains all Certifications and Affidavits, a **Proposal Signature Sheet** and a **Proposal Bid Bond** required for Prime Contractors to submit a bid after written **Authorization to Bid** has been issued by IDOT's Central Bureau of Construction. Small Business Set-Asides do not require **Authorization to Bid** or a **Proposal Bid Bond**.

**ADDENDA/REVISIONS:** Those contractors downloading proposals from the internet are responsible for checking the Department's web site (<http://www.dot.il.gov>) for any ADDENDA or REVISIONS that may effect the downloaded proposal. An Addenda/Revision tracking sheet is on the Department's web site and notification may be e-mailed, upon subscribing to Departments' subscription service. Once an Addendum or Revision is confirmed, the updated material may be downloaded from the internet. It is the contractor's responsibility to download the updated Proposal to receive the updated information.

**HOW TO OBTAIN ELECTRONIC PLANS & PROPOSALS?** Download from IDOT's website at <http://www.dot.il.gov>.

**WHO CAN BID?** Bids will be accepted from only those companies that request and receive written **Authorization to Bid** from IDOT. The preceding does not apply to items designated as Small Business Set-Asides.

**WHAT CONSTITUTES WRITTEN AUTHORIZATION TO BID?** When a prospective prime bidder submits this form, he/she must indicate at that time which items are being requested For Bidding purposes. Only those items requested For Bidding will be analyzed. After the request has been analyzed, the bidder will be issued an **Authorization to Bid or not for bid report**, approved by the Central Bureau of Construction that indicates which items have been approved For Bidding. If **Authorization to Bid** cannot be approved, the **Authorization to Bid or not for bid report** will indicate the reason for denial. The preceding does not apply to items designated as Small Business Set-Asides.

**ABOUT AUTHORIZATION TO BID:** Firms that have not received an authorization report within a reasonable time, three to five days after the department receives the complete and correct original Affidavit of Availability, should contact the department concerning the status of their request. This is critical in the week prior to the letting. Firms unsure of their Authorization to Bid status should call the Prequalification Section at the number listed at the end of these instructions. For Small Business Set-aside items, contact the Contracts Office. This does not apply to items designated as Small Business Set-Asides.

**WHAT MUST BE INCLUDED WHEN BIDS ARE SUBMITTED?** Bidders need not return the entire proposal when bids are submitted. That portion of the proposal that must be returned includes all documents from the Proposal Cover Sheet through the Proposal Bid Bond and other special documentation and/or information that may be required by the contract special provisions. All proposal documents, including Proposal Guaranty Checks or Proposal Bid Bonds, should be stapled together to prevent loss when bids are processed by IDOT personnel.

**ABOUT SUBMITTING BIDS:** It is recommended that bidders deliver bids in person to insure they arrive at the proper location prior to the time specified for the receipt of bids. Any bid received at the place of letting after the time specified will not be accepted.
