NOTICES

The following are changes, updates, or information that the department wishes to share with firms.

Land Acquisition Services7

Land Acquisition Services

Implemented: November 2, 2023

Public Act 103-0511 was enacted on August 4, 2023, and amends the Architectural, Engineering, and Land Surveying Qualifications Based Selection Act (QBS Act) 30 ILCS 535/1 et seq. by including in the definition of “project” any land acquisition conducted by either the Illinois Department of Transportation (IDOT) or the Illinois Toll Highway Authority and that requires architectural, engineering, or land surveying services. IDOT land acquisition services contracts previously procured through an invitation for bid (IFB) process are now subject to the QBS Act and will be advertised and selected using the Land Acquisition Bulletin.

Land Acquisition Bulletin 803

Publish: May 2, 2024

This bulletin is the official notice of needed professional land acquisition services for the Illinois Department of Transportation (IDOT).

A notification of an upcoming LAB publication will be sent to professional consultants subscribed to IDOT's e-mail subscription server list. To subscribe please follow these [instructions](#). A land acquisition services firm who is not approved may obtain the necessary information and forms to become approved from the IDOT website at: <https://idot.illinois.gov/doing-business/procurements/engineering-architectural-professional-services/prequalification.html> [Specialty Agent Designation \(illinois.gov\)](#).

This is **not** an invitation for bids. Firms properly prequalified for any of the projects listed herein may indicate their desire to be considered for selection by submitting a Statement of Interest (SOI) for the project through the [Engineering Prequalification and Agreement System \(EPAS\)](#).

IDOT shall not discriminate based on race, color, national origin, or sex in the award and performance of any DOT-assisted contract or in the administration of its DBE Program or the requirements of 49 CFR part 26. IDOT shall take all necessary and reasonable steps under 49 CFR part 26 to ensure nondiscrimination in the award and administration of DOT-assisted contracts.

Statements must be submitted electronically to the central Bureau of Design and Environment, through **EPAS, prior to:**

12:00 p.m. Central Standard time: May 23, 2024

Statements received after this time WILL NOT be considered.

The selection of professional consultants by IDOT is not based on competitive bidding but on the firm's professional qualifications, experience, and expertise of key personnel to be assigned to the project with consideration also given to the criteria established in the Advertisement:

Rating Description	Weighted %
Past Performance in Project Categories	0-30
Proposed Staffing from Prime and any subconsultants	0-30
Proximity of firm to project location	0-10
Proposed DBE use	
Available work capacity of firm	0-30
The firms experience in with required project work	0-30
Firms understanding/method of accomplishing project requirements	0-30
Project Specific Criteria: Specific requirement in an advertisement	0-30
Total=	100

All members of the Consultant Selection Committee will be **unavailable** during the two-week period preceding the Selection Committee Meeting.

Departmental procedures ensure all members of the Consultant Selection Committee are provided with detailed information concerning all Statements of Interest submitted by all consultants. Please do not send letters and/or e-mails expressing your interest in various projects and/or correspondence concerning your firm to members of the Consultant Selection Committee per Illinois Procurement and Ethics (5 ILCS 430/5-50).

SUBMITTING A STATEMENT OF INTEREST

Qualifications

The firm acting as the prime must be approved in all approval categories requested in the project advertisement even if they plan to subcontract part of the project, except where noted in a specific project advertisement. **Any work being done by a consultant, prime or sub must be approved in the IDOT prequalification category of work they are performing.**

[Specialty Agent Designation \(illinois.gov\)](https://www.illinois.gov)

Submitting

All interested firms must submit a SOI through the [Engineering Prequalification and Agreement System \(EPAS\)](#).

The information in all forms is required as part of all Statement of Interest submittals. The EPAS application has the ability to include all the required information. Some forms are attached and some data is entered into EPAS directly to generate the data for the form. There is an EPAS Instruction Manual for your use and can be used when completing the SOI in EPAS.

The EPAS instruction manual is located on the IDOT Website under Resources: Manuals & Guides: [EPAS Manual](#)

Things to Consider

- **Firm Interest and Photos**
 - A brief statement of the firm's interest in performing the work. This *shall not* exceed 2 pages, if it exceeds the 2 page limit, the submittal will not be accepted for that particular item.
 - Organization chart shall be required.
 - Only include a Project Understanding and Approach *if it is* requested within advertisement.

- **Exhibit A**
 - Only list the required key personnel that are requested within the advertisement. Ensure to match required prequalification categories and any additional personnel requirements designated in the project advertisement. (Include firm name if work is to be completed by Subconsultant)
 - Attach resumes of all key personnel listed in the SOI. Resumes *shall not* exceed 2 pages and must be relevant to the expertise required for the specific project.
 - Identify proposed subconsultants, item(s) of work they will perform, and the estimated % of work. If a DBE Goal is in the advertisement, then list the DBE subconsultant(s), the work they will be performing, and estimated % of the

work. All Subconsultants must be prequalified in the area of work they will be performing.

- **Project Experience #3**
 - Experience of the staff or firm in accomplishing similar types of work should be shown for only the most recent projects and should be concise and relevant to the expertise required for the specific project.
PDF shall not exceed 20 pages.
- **Project Experience #4**
 - Unless additional information is required within the advertisement this field should be blank. Teaming Agreements if applicable should be included here.
- **Project Experience #5: Consultant's Exhibit A**
 - Ensure the printed Exhibit A has a signature (can be electronic)
- **Project Experience #6: Subconsultant Utilization Form**
 - Include the Subconsultant Utilization Plan.
 - Signatures are not required to be completed at SOI time.
 - Subconsultant Utilization Plan must include and match the Exhibit A subs, categories, and estimated percent of work.
 - Subconsultant Utilization Plan is required to be completed if **selected**.
- **Current Obligations**
 - Leave blank for LAB.
- **Delinquent Debt**
 - This is generated in the EPAS system and is submitted as a separate document. Only one document, for prime and subconsultants, with all pertinent data is required. Instructions are included with the Delinquent Debt.
 - Form can be generated and printed through the EPAS application.
