Ramp Closure Tonight from Lake Street to Southbound Kingery Highway

CHICAGO – The Illinois Department of Transportation (IDOT) announced that an overnight closure will take place on the ramp that carries traffic from Lake Street (U.S. 20) to southbound Kingery Highway (Illinois 83), in Addison, weather permitting, Thursday, October 6. The closure is necessary to perform pavement repairs.

Beginning at 9 p.m. on Thursday, the ramp from Lake Street to southbound Route 83 will be closed until 5 a.m. Friday, October 7.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
