Lane, Ramp Closures on the Westbound Eisenhower between St. Charles Road and York Road

CHICAGO – The Illinois Department of Transportation (IDOT) announced that overnight lane and ramp closures will take place on the westbound Eisenhower Expressway (Interstate 290) between St. Charles Road and York Road, in Elmhurst, beginning, weather permitting, Friday, August 26. The closures are necessary to perform pavement repairs, sewer repairs and sewer cleaning.

Beginning at 9 p.m. on Friday, the westbound Eisenhower Expressway will be reduced to two lanes between St. Charles Road and York Road. The ramp from westbound North Avenue to the westbound Eisenhower also will be closed.

The repairs are expected to be completed by 9 a.m. Saturday, August 27.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
