Dixon, IL – The Illinois Department of Transportation announces that IL 38, in the City of Rochelle, will be closed to all through traffic from Tuesday, May 17 through Friday, May 20, 2016. The closure will allow the BNSF Railway to install detector loops in the pavement near the crossing as part of the quiet zone project through the City of Rochelle.

The proposed detour route will utilize First (1st) Avenue, Jack Dame Drive, Intermodal Drive and IL 251. In order to facilitate a rapid road closure, detour signing will be erected on Friday, May 13 and will be in place through the weekend, May 14 and 15. The detour will not be in effect until the morning of Tuesday, May 17, 2016.

Drivers are asked to be alert for the road closure and use alternate roadways when traveling in this area.

Please slow down and use extreme caution while driving through all work zones.
