## Road Closure

Closure to begin on July 19, 2016

Location: IL 48 @ Intersection Wyckles Road SW of Decatur

The Illinois Department of Transportation has announced that beginning July 19, 2016, weather permitting, IL 48 southwest of Decatur will be closed for four days to all through traffic to allow for construction of box culverts. A marked detour will be used to direct traffic around the work zone. The closure will remain in place for four days and local traffic will be allowed to access each side of work site throughout the project duration.

The Department of Transportation thanks you for your patience and asks that you use caution in the work zone.

R.W. Dunteman is the prime contractor for the project and Mark Tucker is the Resident Engineer for the Illinois Department of Transportation. Questions concerning the project may be directed to Mr. Tucker @ 217/542-7684 or Bob Utz at the Effingham Office @ 217/342-3951.

Please slow down and use extreme caution while driving through all work zones.

**WORK ZONE SAFETY**

**IT'S YOUR RESPONSIBILITY**
