## **Press Release**

I-270 Westbound Lane, west of Chain of Rocks Canal, Madison County

Collinsville, Illinois – The Illinois Department of Transportation announces lane restrictions will be encountered in the westbound lanes of I-270, west of the Chain of Rocks Canal Bridge. The lane restrictions will be in place on Thursday, June 16, 2016 and also again on Thursday, June 23, 2016. The outside right lane will be closed from 6:00 p.m. to 10:00 p.m. each time. It is anticipated all lanes will be re-opened to traffic at 10:00 p.m.

This work is being completed by Collins and Hermann, Inc. of St. Louis, Missouri. The lane restrictions are needed to remove and replace an existing sign located behind the guardrail for the westbound lanes.

Traffic control devices will be utilized to assist motorists making their way through the work zone. The Department asks that all motorists be patient, slow down and use extreme caution when travelling near and through this work zone.
