Overnight ramp closure on outbound Eisenhower

CHICAGO – The Illinois Department of Transportation announced today that a sewer repair on the outbound Eisenhower Expressway (Interstate 290) ramp to Central Avenue, in Chicago, will require a ramp closure, weather permitting, on Thursday, Dec. 10, from 8 p.m. to 5 a.m. Friday, Dec. 11.

Because of the short nature of the closure, no detour will be posted. Motorists are advised to use the Laramie Avenue exit as an alternative route to Loretto Hospital.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
