Illinois 1 at Robinson to close Nov. 9

ROBINSON – The Illinois Department of Transportation announced that Illinois 1 will close at the intersection with Illinois 33 just east of Robinson on Nov. 9.

The closure is necessary for Indiana Railroad to make repairs to the railroad crossing just south of the intersection, and no traffic will be allowed through. A detour will be posted during the work, which is expected to be complete Nov. 13.

Motorists are encouraged to follow the posted detour and should allow for extra travel time. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.

Over the next six years, IDOT is planning to improve more than 3,300 miles of highway and 8.4 million square feet of bridge deck as part of the Rebuild Illinois capital program, which is investing \$33.2 billion into all modes of transportation. Year One included approximately \$2.7 billion of improvements statewide on 1,706 miles of highway, 128 bridges and 228 additional safety improvements.
