## **IL 84, South of Savanna**

Dixon, IL – The Illinois Department of Transportation announces that IL 84, just south of Savanna, will be closed to all through traffic from Monday, November 2 through Friday, November 6, 2020. The closure will allow the BNSF Railroad to remove and replace the at-grade crossing located approximately one-quarter mile north of Airport Road.

To allow continued traffic movement, a detour will be marked on Argo Fay Road, IL 78, and IL 64 / US 52.

Drivers are asked to be alert for the road closure and use alternate roadways when traveling this area.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
