## 47<sup>th</sup> Street improvement project resumes Monday

**CHICAGO** – The Illinois Department of Transportation announced today that a resurfacing of 47<sup>th</sup> Street, from Wolf Road, in Western Springs, to County Line Road, in Hinsdale, resumes, weather permitting, Monday, April 19.

The work will require daytime, intermittent lane closures and is expected to be completed in late May. Access to residences and businesses within the work zone will be maintained during construction.

The overall improvements include patching and resurfacing, replacing deteriorated medians and curbs, installing new guardrail and ADA-compliant sidewalk ramps.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.

Over the next six years, IDOT is planning to improve more than 3,300 miles of highway and 8.4 million square feet of bridge deck as part of Rebuild Illinois, which is investing \$33.2 billion into all modes of transportation. Year One included approximately \$2.7 billion of improvements statewide on 1,706 miles of highway, 128 bridges and 228 additional safety improvements.
