47th Street resurfacing begins May 3

CHICAGO – The Illinois Department of Transportation announced today that a patching and resurfacing of 47th Street, from east of Plainfield Road, in Brookfield, to west of Harlem Avenue (Illinois 43), in Lyons, passing through McCook, will require daytime lane closures beginning, weather permitting, Monday, May 3.

The project, which also includes new ADA-compliant sidewalk ramps, reflective pavement markers and curbs, is anticipated to be complete in August.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.

Over the next six years, IDOT is planning to improve more than 3,300 miles of highway and 8.4 million square feet of bridge deck as part of the Rebuild Illinois capital program, which is investing \$33.2 billion into all modes of transportation. Year One included approximately \$2.7 billion of improvements statewide on 1,706 miles of highway, 128 bridges and 228 additional safety improvements.
