## Veterans Parkway lane closures begin April 5 in Bloomington

**BLOOMINGTON** – The Illinois Department of Transportation announced that nighttime lane closures on Veterans Parkway in Bloomington begin April 5 to last until November, weather permitting.

The \$6.4 million project consists of patching, milling, and resurfacing of Veterans Parkway, starting at Commerce Parkway through the Washington Street intersection. The work will be completed between the hours of 9 p.m. and 7 a.m. Sunday through Friday. One lane in each direction will remain open on Veterans Parkway.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
