Bridge deck repairs begin April 20 on Illinois 26 near Cedarville

DIXON – The Illinois Department of Transportation announces today that bridge deck repairs will begin on Illinois 26, approximately 2.5 miles north of Cedarville in Stephenson County, on Tuesday, April 20, 2021. The repairs will require lane closures.

Work will begin in the northbound lane on Tuesday, April 20, and that lane will be closed until Thursday, April 22. Work will then shift to the southbound lane on Thursday, April 22, and that lane will be closed until Friday, April 23.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
