US 50 from US 51 to 0.1 Mile East of Selmaville Road in Marion County

Sandoval – The Illinois Department of Transportation (IDOT) announced that US 50 will have intermittent lane restrictions from US 51 near Sandoval to 0.1 mile east of Selmaville Road near Salem beginning on Wednesday, July 28, 2021, weather permitting. Traffic in each direction will be maintained using flaggers. These restrictions are necessary to place a new bituminous surface treatment, new pavement markings, and ADA improvements. This work is expected to be completed by early September 2021.

Drivers should expect delays and are asked to consider using alternate routes. Drivers are urged to reduce speed, be alert for changing conditions, obey all construction signage, and refrain from using mobile devices while approaching and traveling through the work zone.

The contractor on this project is Beniach Construction Company, Inc. of Tuscola, IL.
