IL 40 at Ideal Road will re-open on July 30

Dixon, IL – The Illinois Department of Transportation announces today that weather permitting, IL 40 at the intersection of Ideal Road between Milledgeville and Chadwick will be open by the close of business on Friday, July 30, 2021. Martin and Co. Excavating has completed the construction for the realignment and geometric improvements of IL 40 at the intersection. The realignment of IL 40 is part of the \$6.1 million Carroll County Highway Department project for the removal and replacement of the bridge carrying Ideal Road over the BNSF Railroad. The entire project is scheduled to be completed this year.

Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
