I-80 ramp to Center Street temporary closure in Joliet

CHICAGO – The Illinois Department of Transportation announced today that pavement patching on the ramp from eastbound Interstate 80 to northbound Center Street, in Joliet, will require a temporary ramp closure, weather permitting, tomorrow, Tuesday, June 22, from 8 a.m. to 3 p.m.

The ramp from Meadow Avenue to northbound Center Street will also be closed during that time. Because of the short nature of the closures, no detour will be posted. Motorists are advised to use the Larkin Avenue (Illinois 7) or Chicago Street (U.S. 52/Illinois 53) as alternative routes.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
