PRESS RELEASE—Lane Closures

Madison County—I-270 over Mississippi River

Granite City – The Illinois Department of Transportation announces a cancellation of the lane closure scheduled for June 24, 2021, on EB I-270 over the Mississippi River (Chain of Rocks Bridge). Due to progress made today with the additional lane closure to avoid any inclement weather later in the week, the routine inspection work was completed ahead of schedule and no further lane closures will be required. All lanes in each direction of I-270 across the Mississippi River are now open. The Department appreciates the patients of the Madison County motorists during these inspection efforts.
