Main Street in Morton to close June 14

MORTON – The Illinois Department of Transportation announced that Main Street between Nebraska Avenue and Harding Road in Morton will close June 14.

The closure is necessary for painting and repairs to the Interstate 74 bridge over Main Street. Work is expected to be complete in mid-July.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.

Over the next six years, IDOT is planning to improve more than 3,300 miles of highway and 8.4 million square feet of bridge deck as part of the Rebuild Illinois capital program, which is investing \$33.2 billion into all modes of transportation. Year One included approximately \$2.7 billion of improvements statewide on 1,706 miles of highway, 128 bridges and 228 additional safety improvements.
