Night closures at Mattis Ave over I-74 resume March 17

CHAMPAIGN – The Illinois Department of Transportation announced that construction requiring nighttime closures of Interstate 74 at Mattis Avenue will resume March 17.

The closures are necessary to safely remove the old bridge beams and will be from 10 p.m. to 6 a.m. March 17 and March 18. Similar closures are planned March 21 and March 22. A signed detour will be in place to help traffic around these closures.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
