## **I-74 work in Peoria County begins March 29**

**PEORIA** – The Illinois Department of Transportation announces that construction on Interstate 74 from Kickapoo (exit 82) to just east of the I-74/474/Illinois 6 interchange (exits 87A-B) in Peoria County begins March 29.

The project involves pavement patching, drainage repairs and resurfacing. I-74 will be reduced to one lane in each direction during the work, which is expected to be complete in July.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.

Over the next six years, IDOT is planning to improve more than 3,300 miles of highway and 8.4 million square feet of bridge deck as part of the Rebuild Illinois capital program, which is investing \$33.2 billion into all modes of transportation. Year One included approximately \$2.7 billion of improvements statewide on 1,706 miles of highway, 128 bridges and 228 additional safety improvements.
