PRESS RELEASE—Lane Closure *St. Clair County—NB I-255 Over Prairie Du Pont Canal*

Cahokia – The Illinois Department of Transportation announces lane closures on I-255 NB between the 12 and 13 mile markers, just south of the Cahokia exit ramp on March 26, 2021, at 8:00 am, weather permitting, to allow for critical bridge deck repairs. IDOT District 8 Operations forces will make the needed improvements. This closure is expected to last approximately one day. All entrance and exit ramps will remain open during construction and full access will be restored as soon as possible.

Motorists can expect delays and should allow extra time for trips through this area. Use of alternate routes should be considered, when possible, to avoid the work area.

Advance warning signs and message boards will be in place to warn motorists of this closure. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
