CONSTRUCTION NEWS RELEASE

BOX CULVERT CONSTRUCTION

US 45

Saline County

CARBONDALE-The Illinois Department of Transportation is alerting motorists traveling on U.S. 45 of upcoming lane closures beginning at 7 a.m. Monday, May 10, weather permitting.

There will be box culvert construction on the structure carrying U.S. 45 over a stream that will require lane closures and the replacement of the box culvert carrying Feazel Road, off of U.S. 45, over Panky Branch. Traffic will be reduced to one lane and controlled by signals. The project should be completed by Oct. 29.

Motorists should be aware of the 11'-3" width restriction, reduce speed, be alert for equipment and workers and use extreme caution while traveling through all work zones.

To avoid any delays motorists should seek an alternate route. Emergency vehicles will be allowed through the work zone as quickly as possible.
