CONSTRUCTION NEWS RELEASE

LANE REDUCTIONS
US 45
CITY OF METROPOLIS
MASSAC COUNTY

The Illinois Department of Transportation would like to alert motorists traveling on US 45 in Metropolis of the upcoming project requiring LANE REDUCTIONS.

Beginning Monday, May 24 at 7 a.m., weather permitting, there will be road construction work on US 45 from just north of Interstate 24 to the intersection of 10th Street & Ferry Street in Metropolis that will require lane closures. Traffic will be reduced to one lane in each direction and controlled by flaggers. Work includes pavement patching, asphalt surface removal, asphalt paving and pavement markings. Motorists should reduce speed, be alert to equipment and workers and use extreme caution while traveling through all work zones.

To avoid any delays motorists should seek an alternate route. Emergency vehicles will be allowed through the work zone as quickly as possible.
