IL 40 at Ideal Road will close on June 2 for 60 days

Dixon, IL – The Illinois Department of Transportation announces today that weather permitting, a 60-day closure of IL 40 will begin on Wednesday, June 2, 2021, at the intersection of Ideal Road between Milledgeville and Chadwick. Martin and Company Excavating will be completing the construction for the realignment and geometric improvements of IL 40 at the intersection. A marked detour route will be installed on US 52/IL 64 and the Shannon Route from Mt. Carroll to Milledgeville.

The realignment of IL 40 is part of the \$6.1 million Carroll County Highway Department project for the removal and replacement of the bridge carrying Ideal Road over the BNSF Railroad. The entire project is scheduled to be completed by the end of this year.

Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
