## **Pavement repairs begin May 10 on Illinois 2 in Ogle County**

**DIXON** – The Illinois Department of Transportation announces today that pavement repairs will begin on Monday, May 10, 2021, on Illinois 2 north of Byron in Ogle County. The northbound lane will be closed approximately 1 mile north of Kennedy Hill Road.

Temporary traffic signals will be used to maintain one lane of traffic during the project, which will be completed on Friday, May 14.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
