Intersection reconstruction project along Stuenkel Road in University Park

CHICAGO – The Illinois Department of Transportation (IDOT) announced that the intersection of Central Avenue and Stuenkel Road in University Park will be closed for intersection reconstruction work beginning, weather permitting, Wednesday, April 15.

In order to complete the work, Stuenkel Road will be closed between Central Avenue and Cicero Avenue. A detour will be posted for motorists to follow for access to local businesses.

The project will be completed by October 2015.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.

Find details on other construction projects in IDOT's District 1 at <http://goo.gl/upgvZu>. Updates on the impacts to traffic are available at www.travelmidwest.com.
