## **Bridge Inspections on I-55 at Cicero Ave. on Saturday**

**CHICAGO** - The Illinois Department of Transportation announced that a routine inspection of the bridge carrying Interstate 55 over the Belt Railway Company of Chicago tracks near Illinois 50 (Cicero Avenue) will take place, weather permitting, on Saturday, Sept. 20.

In order to complete the work, temporary lane and partial ramp closures on northbound and southbound I-55 will be needed. Please note that all times are approximate. Two lanes will be open to traffic at all times. The closures are as follows:

- The left lane of northbound I-55 will be closed from approximately 6 to 8 a.m.
- The left lane of southbound I-55 will be closed from 8 to 10 a.m.
- The ramp from Cicero Avenue to I-55 northbound will be partially blocked from 10 a.m. to noon. Although the ramp will be open, traffic will be slowed. Pulaski Road or Central Avenue are recommended alternate routes.
- The ramp from I-55 southbound to Cicero Avenue will be partially blocked, from noon to 2 p.m.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
