## **IL 1/17 Road Work to Start**

(Resurfacing & Traffic Signal Work)

Ottawa, IL – The Illinois Department of Transportation announces that (weather permitting) work will begin on April 6, 2015 on IL 1/17 in Kankakee County. The 10.0 mile project consists of milling and HMA resurfacing, beginning west of IL 114 in Momence and ending just west of IL 1 and IL 17 split in Grant Park. Additional work will include traffic signal loop detector replacements at various intersections, reconstruction of existing sidewalk ramps, and the placement of aggregate shoulders along IL 1/17.

A \$2,369,337.10 contract has been awarded to Gallagher Asphalt Corp. of Thornton, IL for the work. The contract is anticipated to be complete by the end of July.

Motorists are encouraged to use extreme caution when traveling through the work zone and to be alert for changing traffic patterns, flaggers and all other workers.

Please slow down and use extreme caution while driving through all work zones.

*(Contract #66B02)*
