The conditions and circumstances requiring this emergency expenditure are:

Pavement deterioration has rapidly developed on Interstate 55 near Lawndale in Logan County. This deterioration is resulting in vehicle damage. The Central Bureau of Operations Day Labor Section is preparing to mill off ±3 1/4" of the roadway surface in deteriorated areas and replace the removed material with hot mix asphalt. The scope of work for this emergency is to supply the needed surface and binder hot mix asphalt material. Three vendors were contacted to supply the needed hot mix asphalt material. Truman L. Flatt & Sons provided a \$27,075.00 quote. P.H. Broughton & Sons provided a \$28,770.00 quote. The third vendor was unable to supply the needed material. Truman L. Flatt & Sons is the low bidder and can supply the material in the time frame needed.
