

US Route 14

from West Lake Shore Dr. to Lucas Rd.
and from Lucas Rd. to South of Crystal Lake Ave.

Widening & Reconstruction

PROJECT OVERVIEW

The proposed project will provide a better roadway facility for the public with improved safety features, additional roadway capacity, reduced crash potential, improved roadway geometrics to meet current standards all of which will facilitate traffic flow in the area to relieve congestion. In addition to serving the motoring public, the proposed project will help meet the existing and future needs of the adjacent communities while minimizing social, economic and environmental impacts.

THE SCOPE OF WORK INCLUDES:

- Complete reconstruction of the existing pavement from West Lake Shore Drive to south of IL Route 176.
- Widening and resurfacing from south of IL Route 176 to Crystal Lake Avenue.
- Complete replacement of the drainage system and signage.
- Construction of two 12'-wide lanes in each direction separated by a 22'-wide raised, landscaped median.
- Construction of a separate 10'-wide multi-use path from West Lake Shore Dr. to just south of McHenry County College.
- Traffic signal improvement at the intersections of US Route 14 and West Lake Shore Drive, Lucas Road, Ridgefield Road South, IL Route 176, Woodstock St., and Crystal Lake Ave.
- Installation of permanent traffic signal at the intersections of US Route 14 and Lake Shore Drive and Doty Road.

MAINTENANCE OF TRAFFIC:

- One lane of vehicular traffic will be maintained in each direction along US Route 14.
- Traffic will be shifted onto temporary pavement at times to facilitate construction.
- Temporary traffic signals will be installed at signal improvement locations.

Project Start Date: **Fall 2014**

Project End Date: **Fall 2016**

Project Cost: **\$48,000,000**

Project Municipality: **Crystal Lake, Woodstock**

Project County: **McHenry**
