## **IDOT: Lane Closures on I-94 at Willow Road in Northfield to Begin April 10**

**Chicago-** The Illinois Department of Transportation (IDOT) announced that weather permitting, ramp work on I-94 at Willow Road in the village of Northfield, will begin Thursday night, April 10, 2014.

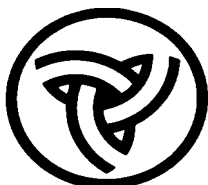

Work will require a stage traffic control and protection pattern be put in place. Northbound lanes on I-94 at Willow Road, will be reduced Thursday night 4/10/14 from 9 p.m. to 5 a.m. Friday and on southbound lanes Saturday night 4/12/14 from 9 p.m. to 9 a.m. Sunday.

The work is part of the on-going Willow Road reconstruction project. Changeable message signs are in place to alert the motoring public.

Motorists can expect delays during times when the lane closures are in effect and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signing in the work zones, obey the posted speed limits, and be on the alert for workers and equipment.
