

## Illinois Route 3 Waterloo, Illinois

---

Vandebrook Drive  
Public Informational Meeting  
August 25, 2010

---

Monroe County

### Welcome!

Welcome to the Vandebrook Drive Public Informational Meeting for the Illinois Route 3 project in Waterloo, Illinois.

The purpose of the meeting is to inform the citizens concerned with the Vandebrook Drive intersection that IDOT has extended the project limits to include the Vandebrook Drive intersection. The project team now seeks feedback as to the problems being encountered at the intersection and would like input as to potential solutions to the identified problems.

The meeting format is informal; no presentation will be made. Please browse the available materials at your leisure. Representatives of the Illinois Department of Transportation and their consultant, Horner & Shifrin, Inc. (Project Study Team), are available to answer any questions that you may have.

### Materials Available for Review

- Aerial Photography
- Problem Questionnaire
- Project Purpose Questionnaire

### Wanted: Your Input

Your questions, comments, and input are greatly appreciated, so please record them on the comment form provided. You may fill out the comment form and return it today or

mail it to the address on the form by September 7, 2010. All comments received will become part of the permanent record for the project and included in the final project report.

### Context Sensitive Solutions (CSS) Approach

The Illinois Route 3 improvement project is using Context Sensitive Solutions (CSS). CSS is "a collaborative, interdisciplinary approach involving all stakeholders to develop a transportation facility that fits its physical setting and preserves scenic, aesthetic, historic, and environmental resources, while maintaining safety and mobility." For more information about the CSS Process, check out the project website located at

<http://www.dot.il.gov/ilroute3/>

### Citizens Advisory Group (CAG)

A Citizens Advisory Group (CAG) is being formed to work with the Project Study Team work to form a vision of the project and provide input on the project study as it progresses.

We are requesting the names of residents who may be interested in being the CAG representative for the Vandebrook Drive Subdivision. CAG involvement will require participation in 4-5 meetings over the next 24 months. If interested in serving on the CAG, please indicate so on your comment form.
