CIRCULAR LETTER 2009-12

TOWNSHIP BRIDGE PROGRAM

COUNTY ENGINEERS/SUPERINTENDENTS OF HIGHWAYS

Attached is a list of counties with their FY 2010 Township Bridge Program (TBP) allotments of the \$15 million as authorized by the General Assembly to be used by the road districts for construction of bridges.

Due to new legislation (House Bill 641/Public Act 96-0366) signed into law this month and effective January 1, 2010, the lapse period for TBP fund expenditures has now been extended from two years to four years.

Therefore, any unused FY 2010 TBP funds will lapse four years from the date of this letter. The FY 2009 TBP funds that were due to lapse on August 11 of next year will now lapse on August 11, 2012.

Please submit your FY 2010 Township Bridge Program to your district office by September 15, 2009 or as directed by your district. Utilize form BLR 09210 for your submittals and provide all information as indicated. If participation in preliminary engineering is desired, it should be included as a separate project.

Sincerely,

A handwritten signature in cursive script that reads "Darrell Lewis".

Darrell W. Lewis, P.E.
Acting Engineer of Local Roads and Streets
