Township Bridge Program

COUNTY SUPERINTENDENT OF HIGHWAYS

91-14

Attached is a list of counties and their Fiscal Year 1992 allotments of the \$15 million as authorized by the Legislature to be used by the Road Districts for construction of bridges.

The unused FY 92 funds will lapse two years from the date of this letter. The two-year obligation period also applies to currently unused FY 91 funds. Consequently, the FY 91 funds will expire two years from the date of the July 27, 1990 apportionment.

Please submit your county's Fiscal Year 1992 Township Bridge Program to the District Office by September 1, 1991. Please utilize the attached form and provide all information as indicated on the form. If participation is desired in preliminary engineering, the engineering should be included as a separate project.

Sincerely,

A handwritten signature in cursive script that reads "Bill Sunley".

William T. Sunley, P.E.  
Engineer of Local Roads and Streets

cc-  
District Engineers

P. S. District Engineers: Please enter the county programs into the CRT prior to September 15, 1991. Future deletions and substitutions into the program should be entered on a current basis.
